# SERVICES THAT WE OFFER

---

*Whether you are looking to rent, repair, service or buy industrial instrumentation, confined space or fall protection equipment we can help you get what you need.*

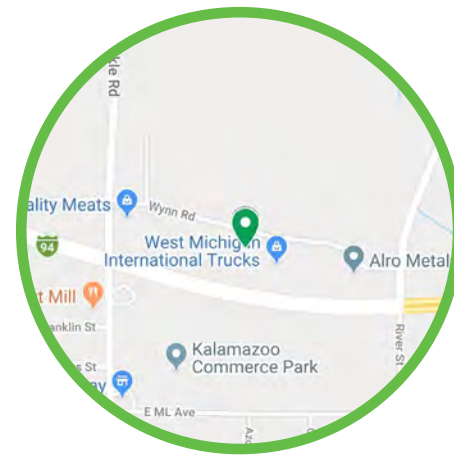

*SSI specializes in the sale, service, rental and repair of instrumentation and gas monitors for MSA, Industrial Scientific, and BW Honeywell.*

We provide reliable support with a quick turnaround. Our Service Center staff have over 20 years of experience in safety and can provide inspection, cleaning, and training for confined space equipment, fire equipment, SCBA units, fall protection and more.

Partner with our service center and we will show you cost savings while helping you standardize your equipment, your maintenance procedures, and your documentation requirements.
